

*If you're going to live, leave a legacy.  
Make a mark on the world that can't be erased.*

—Dr. Maya Angelou

## Welcome to the Bayou Land Conservancy Legacy Circle

The Houston region is one of the most ecologically rich places on the earth. By protecting the special places in our community, you are honoring the history and heritage of the land, and leaving a legacy for generations to enjoy. Your future gift will allow Bayou Land Conservancy (BLC) to accelerate our land conservation program and permanently protect more of the natural places we love.

When you inform BLC about your intent to make a planned gift, you will be welcomed into the Legacy Circle, a group of benefactors who have indicated that BLC has been included in their estate plans. As a Legacy Circle member, you will be among the first to hear special information about our work, and also receive invitations to exclusive field trips and events.

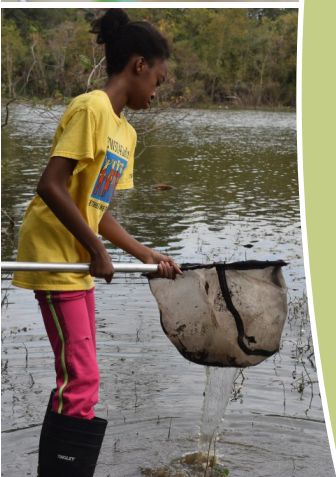

## Ways to give

- You can make a gift in your will or trust of cash, real estate, personal property, investment, and other appreciated assets.
- You can name Bayou Land Conservancy as a beneficiary of your retirement plans and life insurance.

More details on back.

8801 Gosling Road  
Spring, TX 77381  
[www.bayouland.org](http://www.bayouland.org)

**Bayou Land Conservancy's commitment to the land is forever. You can make your mark by leaving a gift that supports that forever promise.**

An unrestricted gift will provide BLC the greatest flexibility to accomplish our land conservation mission. Gifts will be managed and directed by BLC's board of directors and will be used to meet BLC's greatest needs, including land acquisition, land stewardship, or special project costs. The Board may elect to designate all, or a portion, of your gift to a fund set aside for any of these.

Bequest language varies from state-to-state, so it is recommended that you consult with an attorney who understands local estate laws. With that in mind, we suggest you provide the following information to your attorney:

**Official Name:** Bayou Land Conservancy, a non-profit corporation

**Federal Tax ID:** 76-0557498

**Principle Place of Business:** 8801 Gosling Road, Spring, TX 77381

For more information about the **Legacy Circle**, please contact Executive Director Jill Boullion at [JBoullion@BayouLand.org](mailto:JBoullion@BayouLand.org) or 281-576-1634.

*"I believe so strongly in the mission of BLC that it was an easy decision to include a legacy bequest in my estate planning. I want future generations to experience the wilderness that made such an impression on me growing up. By leaving this legacy I can have an impact and help BLC advance its mission after I am gone."* —Carson Stokes, founding Legacy Circle Member
