Get ready to tip your hat to 30 years of conservation at Bayou Land Conservancy's annual **Land Lover Gala — Hats Off to 30 Years — on Saturday, November 14, 2026**, at the Highland Pines Golf Club in Porter, TX. This year's celebration promises to be an extraordinary evening where nature's wonders come alive — and we'd be honored to have you join us as a sponsor.

Each year, this unforgettable evening brings together around 250 conservation-minded guests — business and community leaders, landowners, and nature lovers — all united in their commitment to protect the special places we love.

Your support is vital to Bayou Land Conservancy's mission to protect the very places where water shapes the land and wildlife thrives. For 30 years, we've safeguarded land along our region's bayous and creeks — natural corridors essential for flood control, clean water, and habitat conservation. By sponsoring this event, you're helping ensure that these irreplaceable intersections of land and life are preserved for generations to come.

Why your sponsorship matters:

Recognition and Reach: As a sponsor, your commitment to conservation will be recognized at the event and across our promotional platforms. This is a unique opportunity to align your brand with environmental leadership and community resilience.

Impact Where It Counts: Your investment helps protect the wild spaces and winding waterways that define our region's identity. Together, we'll ensure that future generations enjoy the same access to clean water, resilient landscapes, and flourishing ecosystems.

Connection and Community: Our gala brings together a vibrant mix of conservationists, business leaders, and nature advocates. It's an inspiring evening to connect with others who share your commitment to protecting the places where water meets the wild.

Inspiration and Education: Hear from our inspiring special guest, Lori Olson, Executive Director of the Texas Land Trust Council. With over two

decades of experience in the field of land conservation, Lori works to strengthen the coalition of land and water conservation organizations working across Texas.

An Unforgettable Night: Expect a memorable evening as we celebrate with great food, entertainment, and community spirit — all in support of our wildest places and the waters that sustain them.

This isn't just another gala – it's where mission meets momentum – and we want you there! When you support this event, you're not just underwriting a celebration — you're fueling a movement to double the pace of conservation for the next 30 years. In addition, you're standing up for the places that sustain wildlife, safeguard water, and keep our region wild and wonderful.

To become a sponsor, please complete the attached sponsorship form and mail it back, or register online at landlovergala.givesmart.com. If you have any questions, feel free to contact Claire de Blanc at cdeblanc@bayouland.org.

Thank you for your dedication to protecting the places we all love.
We can't wait to celebrate with you on November 14th!

Warm Regards,

Amanda Van Dusen
